

Exceptional Athlete Request:

In order for a 9th grade student or younger to participate at the varsity level you must send a letter of request to the Stillwater Athletic Director (Ricky Michel) requesting a try out. Then, you must attend the mandatory Exceptional Athlete meeting at the SAHS in the spring before the season begins. The following is a scripted letter that has worked in the past and it can be emailed to Athletic Director Ricky Michel at: michelr@stillwater.k12.mn.us . This letter should be sent the first week of February, 2010.

I would like my daughter _____ (name) to be considered as an Exceptional Athlete for the varsity softball team in the 2010 season. She is currently in the _____ grade and is a student at _____ (name of junior high school).

Mr. Michel will acknowledge your request and invite you to attend the required Exceptional Athlete meeting sometime in February at the SAHS. Your daughter and you will be able to decide if you want to participate after this meeting.
